

Correction to: The importance of graph databases and graph learning for clinical applications

This is a correction to: Daniel Walke, Daniel Micheel, Kay Schallert, Thilo Muth, David Broneske, Gunter Saake, Robert Heyer, The importance of graph databases and graph learning for clinical applications, Database, Volume 2023, 2023, baad045, <https://doi.org/10.1093/database/baad045>

In the originally published version of this manuscript, the in-text citation of reference 64 was inadvertently omitted. Due to this error, the numbering of subsequent in-text citations was also incorrect.

This has been corrected.
