
Correction to: Data sharing and ontology use among agricultural genetics, genomics, and breeding databases and resources of the Agbiodata Consortium

This is a correction to: Jennifer L Clarke, Laurel D Cooper, Monica F Poelchau, Tanya Z Berardini, Justin Elser, Andrew D Farmer, Stephen Ficklin, Sunita Kumari, Marie-Angélique Laporte, Rex T Nelson, Rie Sadohara, Peter Selby, Anne E Thessen, Brandon Whitehead, Taner Z Sen, Data sharing and ontology use among agricultural genetics, genomics, and breeding databases and resources of the Agbiodata Consortium, Volume 2023, 2023, baad076, <https://doi.org/10.1093/database/baad076>

In the originally published version of this article, the Conflict of interest statement was incorrectly given between the main Conclusions section and the subsequent Conclusions subsections.

The Publisher apologizes for this error, which has been corrected.
